INTERNATIONAL CONFERENCE & EXHIBITION

The Confederation of Indian Industry (CII) Kerala is pleased to announce the 8th Edition of the CII Global Ayurveda Summit & Expo on 20 & 21 November 2026 at Hotel Le Méridien Kochi, Kerala.

The Global Ayurveda Summit & Expo 2026 adopts a unique interdisciplinary approach by bringing together leaders from healthcare, technology, tourism, research, policy, sustainability, food processing, wellness sectors alongside Ayurveda experts. The summit will explore the role of Ayurveda in modern healthcare, innovation, research, and global wellness, while identifying opportunities for its wider adoption and integration.

The event will serve as a platform for dialogue, collaboration, innovation, and policy recommendations aimed at strengthening Ayurveda's global relevance and accessibility.

Ayurveda, one of the world's oldest healthcare systems, has promoted holistic well-being for over 5,000 years through its focus on prevention, balance, and natural healing. As global healthcare increasingly embraces wellness and preventive care, Ayurveda is gaining renewed relevance worldwide.

Kerala, widely regarded as the spiritual home of Ayurveda, is renowned for its authentic treatments, skilled practitioners, accredited AYUSH institutions, and thriving wellness tourism ecosystem. The state has also emerged as a leading centre for Ayurvedic manufacturing, research, and exports, complemented by its strong capabilities in modern healthcare.

International Participation

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organisation, with over 10,500 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 332 national and regional sectoral industry bodies.

For more than 130 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with the Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialised services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Through its dedicated Centres of Excellence and Industry competitiveness initiatives, promotion of innovation and technology adoption, and partnerships for sustainability, CII plays a transformative part in shaping the future of the nation. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes across diverse domains, including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

For 2026-27, CII has identified "Accelerating Competitiveness: Growth, Resilience, Inclusion, Sustainability, Trust" as its theme, prioritising five key pillars. During the year, CII will align its policy advocacy, institutional initiatives, partnerships, and outreach to support Indian industry in strengthening these five interconnected pillars of competitiveness.

With 70 offices, including 12 Centres of Excellence, in India, and 9 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 255 counterpart organisations in 102 countries, CII serves as a reference point for Indian industry and the international business community.
